It's Christmas time and time for a carol
Time to sing about the little King
To fill the bowl and roll out the banel
Have ourselves a fling
We greet a friend or welcome a stranger
Let him sing on cheer him on his way
And celebrate the child in the manger
Born on Christmas day
Good cheer for you and for me
With pleasure and glee to share
Oh, we're so happy to be together
On yuletide square
It looks like snow

And falls like snow
Take a moment
Take a look about and say
As snowflakes fall
Merry Christmas to one and all
Feed the world
Let them know it's Christmas time again
Feed the world
Let them know it's Christmas time again...
