It won't be easy, you'll think it strange  
When I try to explain how I feel  
That I still need your love  
After all that I've done

You won't believe me  
All you will see is a girl you once knew  
Although she's dressed up to the nines  
At sixes and sevens with you

I had to let it happen, I had to change  
Couldn't stay all my life down at heel  
Looking out of the window  
Staying out of the sun

So I chose freedom  
Running around trying everything new  
But nothing impressed me at all  
I never expected it to

Don't cry for me, Argentina  
The truth is, I never left you  
All through my wild days  
My mad existence, I kept my promise  
Don't keep your distance

And as for fortune, and as for fame  
I never invited them in  
Though it seemed to the world  
They were all I desired

They are illusions  
They're not the solutions they promised to be  
The answer was here all the time  
I love you and hope you love me

Don't cry for me, Argentina

Don't cry for me, Argentina  
The truth is I never left you  
All through my wild days  
My mad existence, I kept my promise

Don't keep your distance

Have I said too much? There's nothing more  
I can think of to say to you  
But all you have to do is look at me to know  
That every word is true
