{Welcome aboard, I'm Sam Riddle, on the bridge once more

For 'Your Navy Presents', well there you are, here I am  
The Carpenters, Richard and Karen are present so  
Let's get it together}

Love is but the song we sing  
Fear's the way we die  
You can make the mountains ring  
Or hear the angels cry  
Though the dove is on the wing  
You need not know why

Come on people now  
Smile on your brother  
Everybody get together  
Love one another right now  
Maa maa  
(Aaa)

Some may come an' some may go  
This will surely pass  
When the one who left us here  
Returns for us at last  
We are but a moment's sunlight  
Fading in the grass

Come on people now  
Smile on your brother  
Everybody get together  
Love one another right now

If you hear the song we sing  
You will understand  
You hold the key to love and fear  
It's in your trembling hand  
One key unlocks them both, you know  
It's at your command

Come on people now  
Smile on your brother  
Everybody get together

Love one another right now  
And love one another right now  
And love one another right now
