"Goodbye Love"

I'll say goodbye to love
No one ever cared if I should live or die
Time and time again the chance for love has passed
me by
And all I know of love is how to live without it
I just can't seem to find it So I've made my mind up
I must live my life alone And though it's not the easy
way
I guess I've always known I'd say goodbye to love
There are no tomorrows for this heart of mine
Surely time will lose these bitter memories
And I'll find that there is someone to believe in
And to live for something I could live for
All the years of useless search Have finally reached an
end
Loneliness and empty days will be my only friend
From this day love is forgotten I'll go on as best I can
What lies in the future is a mystery to us all
No one can predict the wheel of fortune as it falls
There may come a time when I will see that I've been
wrong
But for now this is my song And it's goodbye to love
I'll say goodbye to love
