No one in the world  
Ever had a love as sweet as my love  
For nowhere in the world  
Could there be a boy as true as you love  
All my love  
I give gladly to you  
All your love  
You give gladly to me  
Tell me why then  
Oh why should it be that  
(\* ) We go on hurting each other  
We go on hurting each other  
Making each other cry  
Hurting each other  
Without ever knowing why  
Closer than the leaves  
On a weepin' willow baby we are  
Closer dear are we  
Than the simple letters "A" and "B" are  
All my life  
I could love only you

All your life

You could love only me

Tell me why then

Oh why should it be that

Repeat (\*)

(\*\*) Can't we stop hurting each other

Gotta stop hurting each other

Making each other cry

Breaking each other's heart

Tearing each other apart

Repeat (\*\*)
