When I first saw you, my heart said "Yes"  
You'd be the one to cure, my loneliness  
And so every night I pray  
Pray that some day you will say

Pray that you'll say you love me  
And then I'll be yours

I see you everyday, you say "Hello"  
But I can't say a word, I love you so  
And so every night I pray  
Pray that some day you will say

Pray that you'll say you love me  
And then I'll be yours

I love you so  
But you will never know  
You think I'm just a friend  
That all I'll ever be, I know

I'm just a dreamer, it's nothing new  
But still I hope someday they'll all come true  
And so every night I pray  
Pray that some day you will say

Pray that you'll say you love me  
And then I'll be yours  
Say you love me  
And then I'll be yours
