Johnny Angel, Johnny Angel

Johnny Angel, Johnny Angel

You're an angel to me

Johnny Angel

How I love him

How I tingle

When he passes by

Everytime he says "hello"

My heart begins to fly

Johnny Angel

How I want him

He's got something

That I can't resist

But he doesn't even know

That I exist

I'm in heaven

I get carried away

I dream of him and me

And how it's gonna be

Other fellows

Call me up for a date

But I just sit and wait
I'd rather concentrate
On Johnny Angel
'Cause I love him
And I pray
That someday he'll love me
And together we will see
How lovely Heaven will be
And together we will see
How lovely Heaven will be
