Greeting cards have all been sent
The Christmas rush is through
But I still have one wish to make
A special one for you

Merry Christmas darling
We're apart that's true
But I can dream and in my dreams
I'm Christmas-ing with you

Holidays are joyful
There's always something new
But every day's a holiday
When I'm near to you
The lights on my tree
I wish you could see
I wish it every day

Logs on the fire
Fill me with desire
To see you and to say
That I wish you Merry Christmas
Happy New Year, too
I've just one wish
On this Christmas Eve
I wish I were with you

Logs on the fire
Fill me with desire
To see you and to say
That I wish you Merry Christmas
Happy New Year, too
I've just one wish
On this Christmas Eve
I wish I were with you
I wish I were with you

(Merry, merry, merry Christmas
Merry Christmas - darling)
