"Two Lives"

Maybe I'am a dreamer
Maybe just a fool
Lately I can hardly see the sun
If you had a secret
I could take a guess
But nothin' in your eyes seems to hold me
Truth or consequences
Which one will be?
(*) Someone said
That time would ease the pain
Of two lives love has torn apart
But I believe whoever wrote that song
Never had a broken heart
One of us is hidin'
One of us can tell
And no one likes to be the first to know
Someone has to answer
'Cause someone has to ask
If keepin' on like this is torture
And goin' undecided
You know, is twice as bad for sure

Repeat (*)

No, I can't believe it's over

It's over

And I love you more than ever

And ever

Repeat (*)
