Gettin' away from all the things that need doin'  
Lazily here to lose the afternoon  
Lyin' around here on the ground  
It's close to gettin' up as I can go

Takin' a chance to free myself from my worries  
Cover them well enough and no one sees  
Nobody knows until they show  
Then the only thing to do is try to cover them again

Hurry yourself, what's the use?  
Mountains of wealth, I refuse  
To be somebody's slave for a dime  
I've got plenty of mountains  
I'm lookin' to find, spendin' my time

Lyin' around here on the ground  
It's as close to gettin' up as I can go  
Pleasin' myself is all that really needs doin'  
Everything else begins but never ends

Listen to me and you'll agree  
That a man is better off  
If he has come to realize

Hurry yourself, what's the use?  
Mountains of wealth, I refuse  
To be somebody's slave for a dime  
I've got plenty of mountains  
I'm lookin' to find, spendin' my time

Hurry yourself, what's the use?  
Mountains of wealth, I refuse  
To be somebody's slave for a dime  
I've got plenty of mountains  
I'm lookin' to find, spendin' my time
