

The Carpenters

"When I Fall in Love"

Visit "[When I Fall in Love](#)" on MotoLyrics.com

Maybe I'm old fashioned, feeling as I do
Maybe I'm just living in the part
But when I meet the right one, I know I'll be true
My first love will be my last

When I fall in love, it will be forever
Or I'll never fall in love

In a restless world like this is
Love is ended before it's begun
And too many moonlight kisses
Seem to cool in the warmth of the sun

When I give my heart, it will be completely
Or I'll never give my heart

And the moment I can feel that you feel that way too
Is when I fall in love with you

And the moment I can feel that you feel that way too
Is when I fall in love with you
