It's all over
Didn't even cry
I just stopped living
When you said goodbye

It's all over
Didn't feel a thing
I just stopped living
Couldn't stand the pain

Heather grows
Like leaves in September
Looks as fresh as rain
Love that warms like summer sun
Shouldn't die when winter comes

It's all over (it's all over)
Didn't even cry (didn't even cry)
I've just stopped living
When you said goodbye

(It's all over)
It's all over, darling
Didn't even cry
