Oooh...

Nice to have you close to me  
It is our anniversary of love  
(Love) love (love)  
(La la la la la la la love)

Just a year ago today  
We promised we would  
Always stay in love  
(Love) love (love)  
(La la la la la la la love)

Love, love, love, love  
La la la la la la la love  
Love, love, love, love  
La la la la la la la love

Here's my heart eternally  
It's for our anniversary of love  
(Love) love (love)  
(La la la la la la la love)

We've had troubles here and there  
But still in all we'll always share  
Our love (love) love (love)  
(La la la la la la la love)

Love, love, love, love  
La la la la la la la love  
Love, love, love, love  
La la la la la la la love

I began my life the day  
That I first kissed you  
Darling, anytime you're gone  
I find I miss you so (so, so)

Like the stars above us, dear  
We're bringing us our greatest years  
Of love (love) love (love)  
(La la la la la la la love)

Each and every year, we'll see  
Another anniversary of love  
(Love) love (love)  
(La la la la la la love)

Love, love, love, love  
La la la la la la love  
Love, love, love, love  
La la la la la la love...
