Here are the words we should have chose  
Some fell to earth  
But some came close in pretending to lose  
We learn to lie  
Setting examples, bidding time  
Just to find  
If we're only gonna die  
Why do we need an alibi  
Happy new years, darling  
I feel fine  
I think I'll sell the movie rights  
Cause someone out there's got to bite  
Happy new years, darling  
I feel fine  
We can run so much faster  
Play the game well enough  
Never stopped us anyway  
Yeah, it's easy to hide  
So hard to try  
From behind all these crimes  
Just to find this one last drink  
I give in with a toast  
To lost love and absent friends
