I guess this movie must have opened wide
Another good death in suicide
It called the cops but then she denied every word
And in the youth be the one who spend the time for her
Out there trying to find a cabin for her, uhu, uuu
The girl lives in crazy town, uhu, uuu
Where craziness gets handed down, uhu, uuu
Whoever's gonna volunteer, uhu, uuu
Will only end up living here

A part like this will always have a twist
The girls are dreaming never did exist
Just like the last one that she enlisted, a fool
And it's that oh so fun when you're writing songs for
her
But now signs you're be posting and for who
Uhu, uuu, a girl who lives in crazy town
Where craziness gets handed down, uhu, uuu
Whoever's gonna volunteer, uhu, uuu
Will only end up living here

And you don't want to go that route
Cause that's not much you're all about
You just can't seem to get out of there
It's still out there, raising a doubt for who
Uhu, uuu, a girl who lives in crazy town
Where craziness gets handed down, uhu, uuu
Whoever's gonna volunteer, uhu, uuu
Will only end up living here
