F#m e

You asked me to dinner

E a

I called your bluff

E b

Now you're an amnesiac

*** chorus:

A e b

Driving with one hand on the wheel

A e b

Ordering luck with every meal

A e

Feeding on hope again never mind how

B

Small a portion

*** verse 2:

I said like we do f#m e

Like we'd like to think b f#m

I'll take care of myself e b

And who would've thought that f#m b

Initial drink e a

Would clear an entire shelf e b

*** chorus:

Driving with one hand on the wheel a e b

Ordering luck with every meal a e b

Feeding on hope again never mind how a e

Small a portion b

*** bridge:

A e b

You should look at it realistically

A e b

You sat there as dumb f#m e

As a dog or cat b f#m

Just hoping it's for the best e b

As if anything ever f#m b

Comes from that e a

Driving with one hand on the wheel a e b

Ordering luck with every meal a e b

Feeding on hope again never mind how a e

Driving with one hand on the wheel a e b

Not knowing how or what to feel a e b
