It's not what you thought  
When you first began it.  
You got, what you want  
You can hardly stand it though  
By now you know

It's not going to stop  
It's not going to stop  
It's not going to stop  
Till you wise up

You're sure, there's a cure  
And you have finally found it.  
You think, one drink  
Will shrink you 'till you're underground  
And living down

But it's not going to stop  
It's not going to stop  
It's not going to stop  
Till you wise up

Prepare a list for what you need  
before you sign away the deed

Cause it's not going to stop  
It's not going to stop  
It's not going to stop  
Till you wise up.

No it's not going to stop  
Till you wise up  
No it's not going to stop  
So just give up
