It's par for the course  
You bet the wrong horse  
You put down the phone and cried  
For yourself  
And for what  
You couldn't have  
A plea  
That won't do  
Now that she  
Serves it to you  
And I don't even know you  
I don't even know you anymore  
I don't even know you  
I don't even know you

It's all you deserve  
The loss of the nerve  
The grade of the curve  
Has brought you to this  
By the boat that you missed  
You clung to the raft  
So she swerved out of your path  
And I don't even know you  
I don't even know you anymore  
I don't even know you anymore  
-guitar solo-  
You loved her a lot  
But she lost the plot  
And timing is everything  
In this game  
So let's have  
A moment of blame  
Think how  
It could have been  
Well you should  
Have said it all then  
And I don't even know you  
I don't even know you anymore  
I don't even know you anymore

-string solo-  
I don't even know you anymore

I don't even know you anymore
