Oh, Mario  
Sit here by the window  
Stay here 'til we reach Idaho  
And when we go, hold my hand on take-off  
Tell me what I already know

That we can't talk about it  
No, we can't talk about it  
Because nobody knows, that's how I nearly fell  
Trading clothes and ringing Pavlov's Bell  
History shows there's not a chance in hell

But, oh, Mario  
We're only to Ohio  
It's kinda getting harder to breathe  
I won't let it show  
I'm all about denial  
But can't denial let me believe  
And we could talk about it  
But he can't talk about it

Because nobody knows, that's how I nearly fell  
Trading clothes and ringing Pavlov's Bell  
History shows but rarely shows it well  
Well, well, well

Oh, Mario,  
Why if this is nothing  
I'm finding it's so hard to dismiss  
If you're what I need  
Then only you can save me  
So come on baby give me the fix  
And let's just talk about it  
I've got to talk about it

Because nobody knows, that's how I nearly fell  
Trading clothes and ringing Pavlov's Bell  
History shows like it was show and tell

So tell me...  
That's how I nearly fell...  
By ringing Pavlov's bell...

So, baby, show and tell...  
Oh, Mario, Mario
