Put on some speed

*** verse 1:

G am c2 (g)

There'll be no payoff today

G am c2 (g)

I'm just refusing to pay

I'm gonna stand here and say

D am

"c'mon, do your worst!"

D am

Of course they'll never hear me

D c2 g

But we know 'bout that from the first

*** verse 2:

I had some lessons to learn g am c2 (g)

But they are not your concern g am c2 (g)

I think at least you'd admit g am c2

You get what you choose d am

Walking around in your shoes d c2 g

*** chorus:

No one is running for help

'cause no one saves you from yourself

You've got solutions you need

Well, put on some speed

*** verse 3:

You never knew me at all g am c2 (g)

Now you tell me who's at fault g am c2 (g)

I left that book on the table g am c2

For you to read, but d am

To pick up the language at least d c2 g

No one is running for help
'cause no one saves you from yourself
You've got solutions you need
Well, put on some speed

*** bridge

[there's one of?] [? ? ? ?] don't stop it
[that I could deal with?] without 'em
Right after the fall
No longer can we call on our fathers
We're all alone, and it's all for all
