Chords:

A2: x02200

D2: xx0230

*** intro:

E | b a

C#m | b e

A | e b | d2 |

*** verse 1:

A2 e

Remember this, given us

C#m b a2

By someone's set of parents

E b

I don't recall, I admit

D2 a2

I don't know just who's to blame

E f#m

For relics of our history...

A2 e

To tell the truth, it wasn't bad

C#m b a2

We had to have a reason

E b

And lack of love wasn't it

D2 a2

We both know we had a past

E f#m

But present must contain

A e b

A future where both of us can fit

*** chorus:

E b a

So long and sorry, darling

C#m b e

I was counting to forever

A e b

And never even got to ten

E b a

So long and sorry, darling

C#m b e

When we found a rip in heaven

A e b d2

We should have just ascended then

*** verse 2:

It's funny how you just assume a2 | e

You're going to work it out c#m | b | a2

Or give it at least a try e | b |

But optimistic feelings can't be d2 | a

Passed from hand to hand e | f#m

You handle them they tend to die a | e | b

*** chorus:

So long and sorry, darling e | b a

I was counting to forever c#m | b e

And never even got to ten a | e b

So long and sorry, darling e | b a

When we found a rip in heaven c#m | b e

We should have just ascended then a | e b

*** bridge:

D2 e

Well, better than if I just go away

G#m c#m b a a2

Preserving the fiction of

E

Indifference now

B

Replacing love

*** instrumental:

E | b a

C#m | b e

A | e b

*** chorus:

So long and sorry, darling e | b a

I was counting to forever c#m | b e

And never even got to ten a | e b

So long and sorry, darling e | b a

When we found a rip in heaven c#m | b e

We should have just ascended then a | e b

*** coda:

A e b

We should have just ascended then

A e b

We should have just ascended then

D /c# /b | a /g# /f# | e
