Nothing was saving our day  
there was nothing to say,  
but you said something anyway  
claiming I stepped out of line  
which forced you to leave me,  
as if that idea was mine.  
Oh, you stupid thing  
speaking of course as your dear departed  
oh, you stupid thing  
it wasn't me that you outsmarted  
oh, you stupid thing  
stopping it all  
before it even started  
I bet you knew it would come  
that's just like you, to sit back  
and just play it dumb  
one word of warning would help  
but that sacrifice was made  
trying to save yourself  
Oh, you stupid thing  
speaking of course as your dear departed  
oh, you stupid thing

it wasn't me that you outsmarted  
oh, you stupid thing  
stopping it all  
before it even started  
Maybe that's just how I am  
to fall where I stand,  
or I'm weak for that kind of man  
one who looks helpless and brave  
but you turned into a coward  
I don't care for the parts you saved.  
Oh, you stupid thing  
speaking of course as your dear departed  
oh, you stupid thing  
it wasn't me that you outsmarted  
Oh, you stupid thing  
speaking of course as your dear departed  
oh, you stupid thing  
it wasn't me that you outsmarted  
Oh, you stupid thing.
