Capo 3: eb maps as c

C2 | c2

*** verse 1:

C2 g d g

Shall we agree that just this once

Em d

I'm gonna change my life

C2 g d g

Until it's just as tiny or

Em f

Important as you like

C2 g d c2

And in time, we won't even recall that we spoke

G d c2

Words that turned out to be as big as smoke

Em d g

Like smoke, disappears in the air

C2 em d g

There's always something smouldering somewhere

*** chorus:

D c2 g

I know it don't make a difference to you

D c2 g

But oh, it sure made a difference to me

Em d c2 g

You'll see me off in the distance, I hope

Am

At the other end

C d c2

At the other end of the telescope

*** verse 2:

There was a time not long ago c2 g d g

I dreamt that the world was flat em d

And all the colours bled away c2 g d g

And that was that em em (note!)

And in time, I could only believe in one thing c2 g d c2

The sky was just phosphorus stars hung on strings g d

c2

And you swore that they'd always be mine em d g

When you can pull them down anytime em d g

*** chorus:

I know it don't make a difference to you d c2 g

But oh, it sure made a difference to me d c2 g

You'll see me off in the distance, I hope em d c2

At the other end am

At the other end of the telescope c d c2

*** bridge:

D c2 g

There, there baby now, don't say a word

D c2 g

Lie down baby, your vision is blurred

Em d c2

Your head is so sore from all of that thinking

Em

I don't want to hurt you now

C am c am

But I think you're shrinking (I think you're skrinking)

*** verse 3:

You're half-naked ambition and c2 g d g

You're half out of your wits em d

And though your wristwatch always works c2 g d g

Your necktie never fits em f

Now it's so hard to pick the receiver up c2 g d

And when I call, I never noticed you could be so small
c2 g d

The answer was under your nose em d g

But the question never arose em d g

*** coda:

I know it don't make a difference to you d c2 g

But oh, it sure made a difference to me d c2 g

When you find me here at the end of my rope em d c2

When the head and heart of it finally elope em d c2

You can see us off in the distance, I hope em d c2

At the other end am

At the other end of the telescope c d c2
