Sleigh bells ring, are you listening?
In the lane, snow is glistening
A beautiful sight, we're happy tonight
Walking in a winter wonderland

Gone away is the bluebird
Here to stay is a new bird
He sings a love song as we go along
Walking in a winter wonderland

In the meadow we can build a snowman
Then pretend that he is Parson Brown
He'll say, "Are you married?", we'll say, "No man
But you can do the job when you're in town"

Later on, we'll conspire
As we dream by the fire
To face unafraid, the plans that we've made
Walking in a winter wonderland

Over the ground lies a mantle of white
A heaven of diamond shine down through the night
Two hearts are thrilling in spite of the chill in the
weather

Love knows no season, love knows no clime
Romance can blossom any old time
Here in the open we are walking and hoping together

In the meadow we can build a snowman
Then pretend that he is Parson Brown
He'll say, "Are you married?", we'll say, "No man
But you can do the job when you're in town"

Later on, we'll conspire
As we dream by the fire
To face unafraid, the plans that we've made
Walking in a winter wonderland

Walking in a winter wonderland
Walking in a winter wonderland
