I can be tough, I can be tender  
Strong as a saint, weak as a sinner  
But when I'm in your arms I'm so complete  
You bring out what's inside of me  
CHORUS:  
A woman with a mind, a body with a soul  
A heart full of love that won't let go  
I love the way you understand  
All that I am  
I'm a member of the modern world  
But sometimes I'm still an old fashioned girl  
You make me laugh, you let me cry  
I finally found a man who's not afraid to try  
CHORUS  
I hold on as long as I can and keep loving you with all  
that I am  
CHORUS
