If there was any way out, where I could slip away and
take my heart with me,
If there was any way out, where I could slip away and
make my mind at ease,
'Cause if my head was on right, I wouldn't be sitting
tonight watchin' me
Shakin' it,
But if my heart was intact, you know I'd let you have the
first crack at
Breakin' it.
If you were anything less than what you are to me, I
would have a reason then,
Callin' it quits instead of havin' these fits over where
you've been
If the love that you stole wasn't still the best I've known,
I wouldn't be
Takin' it.
And if my heart was intact, you know I'd let you have
the first crack at
Breakin' it.
If my body didn't burn every time my head didn't turn, I
wouldn't be fakin'
It, Oh, no.
And if my heart was intact, you know I'd let you have
the first crack at
Breakin' it.
Oh, if my head was on right, I wouldn't be sitting all
night watchin' me
Shakin' it, Oh, no.
And if my heart was intact, you know I'd let you have
the first crack at
Breakin' it.
