It hasn't been the best of days,
Since she drove off and left me standing in a haze
Because I've been so out of order
Yes I have babe
My new found love showed up and blew her out the
water

And it's so not easy
(I know she'll say)
I'm sleazy
(I love the way)
You please me

I can't believe I found
A girl who turned my life around
She suddenly
Came onto me
Pin me down
On the ground
I could have pushed away
But I didn't know what she'd say
But I'm glad I'm not the guy who turned her down

I cut my social life in two
I quit my city job so I can be here with you
My friends say I'm a fool in love
But I'm not babe
It's worth my while because you're what my dreams are
made of

Cos you look like
(A beauty queen)
Sucked in by
(Your tractor beam)
You know I

I can't believe I found
A girl who turned my life around
She suddenly
Came onto me
Pin me down

On the ground
I could have pushed away
But I didn't know what she'd say
But I'm glad I'm not the guy who turned her down

Years go by
(As the years go by)
I wonder why
(I start to wonder why)
She had come to me
(Bah da bah bah)
So glad that she met me
(Bah da bah bah)
And life without you baby, just don't know where I
would be

I can't believe I found
A girl who turned my life around
She suddenly
Came onto me
Pin me down
On the ground
I could have pushed away
But I didn't know what she'd say
But I'm glad I'm not the guy who turned her down
(down down down down)
Yeah I'm glad I'm not the guy who turned her down
(down down down down)
Yeah I'm glad I'm not the guy who turned her down
