I'm a lover I'm not a fighter,
Hold me close and I'll take you higher than you've ever
been
Raise your hands and lay down your weapons,
We could turn this around in seconds flat,
If you believe.

Home is where the heart is,
It's where we started,
Where we belong, singing:
Home is where the heart is,
It's where we started,
Where we belong.

Light a fire and write a sonnet,
Pin your hopes and your dreams upon it, now
Come and sing with us
Yeah, Callin' out to your children's children,
Let there be love and let them scream it loud
Before we bite the dust

So come on
Home is where the heart is,
It's where we started,
Where we belong
Oh we're singing:
Home is where the heart is,
It's where we started,
Where we belong.

In these troubled days of anger,
We're afraid of every stranger,
But today we're making history,
It's k just sing it with me,

Now's your chance think of your lovers,
We are all sisters and brothers.
Now's your chance think of your lovers,
We are all sisters and brothers.

Yeah

Woah yeah

Home is where the heart is,
It's where we started,
Where we belong
(x4)

Where we belong (x5)
