I met her, Gin soaked barroom queen in Memphis,
She tried to take me upstairs for a ride
She had to heave me right across her shoulders
But I just can't seem to drink her off of my mind

She's a honky tonk woman
Gimme, gimme, gimme
The honky tonk blues

Later ba ba covered me in roses
She had to take me upstairs for a ride
Then later she da da da da daaaaa da da da
Yeah she blew my nose and then she blew ma
mind,hello!

She's a honky tonk woman
Gimme, gimme, gimme
The honky tonk blues

--- Instrumental ---

She's a honky tonk woman
Gimme, gimme, gimme
The honky tonk blues

She's a honky tonk woman
Gimme, gimme, gimme
The honky tonk blues
