I want to touch you
(And sleep with you)
I want to touch you baby
(Its about)
I want to touch you
(Yes that's you)
I want to touch you

Yesterday i told you something i thought you knew
Yes i told you with a smile
I want to touch you
Then you whispered in my ear and you told me too
Get lost you make me sick
I wouldn't touch you

But I will touch you in all the right places
If you want me too
But if you denied me one of your kisses
Sarah Cox will do
So hold me close and say three words like you used to
do

Groping on the studio floor
I want to touch you

And if i had only one of these wishes
I would wish for you
Dressed in a tight nurses outfit
And i know what to do
So give it up cos you know full well that you want me
too
I'll dress up as Sandy Lyle
And I'll win the jackpot
And i'll take you with a smile
I want to touch you

I want to touch you
(And sleep with you)
I want to touch you baby
(its all about)
I want to touch you

(Yes that's you)
I want to touch you baby
(its all about)
I want to touch you
(sleep with u)
I want to touch you
(its all about)
I want to touch you
(Yes that's you)
I want to touch you
I wanna touch youuuuuuuuuuu
