It's only been a day
But it's like I can't go on
I just wanna say
I never meant to do you wrong

And I remember you told me baby
Somethings gotta give
If I can't be the one to hold you baby
I don't think I could live

Now Im so sick of being lonely
This is killing me so slowly
Don't pretend that you don't know me
'Cause that's the worst thing you could do!
Now I'm singing such a sad song
These things never seem to last long
Something that I never planned on
Help me baby Im so sick of being lonely

Your stuff is in my house
So many things I can't ignore
Coats still on the couch
Your photos on my freezer door

And I remember you told me baby
Somethings gotta give
If I can't be the one to hold you baby
I don't think I could live

Now Im so sick of being lonely
This is killing me so slowly
Don't pretend that you don't know me
That's the worst thing you could do!
Now I'm singing such a sad song
These things never seem to last long
Something that I never planned on
Help me baby Im so sick of being lonely

I am so lonely

And I remember you told me baby

Somethings gotta give
If I can't be the one to hold you baby
I don't think I could live

Now Im so sick of being lonely
This is killing me so slowly
Don't pretend that you don't know me
That's the worst thing you could do!

Now I'm singing such a sad song
These things never seem to last long
Something that I never planned on
Help me baby Im so sick of being lonely

I am so lonely
I am so lonely...
