Do do do do do do
Do do do do do do
Do do do do do do

Today, I'm laughing the clouds away
I hear what the flowers say
They drink every drop of rain
And I see places that I have been
In ways that I've never seen
This side of the grass is green

Oh I can't believe that it's so simple
It feels so natural to me

If this is love, then love is easy
It's the easiest thing to do.
If this is love, then love completes me
Cause the proof is I've been missing you
A simple equation,
With no complications, to leave you confused.
If this is love, love, love,
Oh, it's the easiest thing to do.

Do do do do do do
Do do do do do do
Do do do do do do

Whatever I do
To watching the grey skies bloom
Making the streets look new
And the birds sing
Tweedily tweet dee dee dee
Tweedily dee dee dee
And we know exactly what they mean.

Oh I can't believe that it's so simple
It feels so natural to me

If this is love, then love is easy
It's the easiest thing to do.
If this is love, then love completes me

Cause the proof is I've been missing you.
A simple equation,
With no complications, to leave you confused.
If this is love, love, love,
Oh, it's the easiest thing to do

Do do do do do do
Do do do do do do
Do do do do do do

If this is love, then love is easy
It's the easiest thing to do
If this is love, then love completes me.
Cause the proof is I've been missing you
A simple equation,
With no complications, to leave you confused.
If this is love, love, love,
Oh, it's the easiest thing to do

Do do do do do do
Do do do do do do
Do do do do do do
Oh this is love, love, love, love
Do do do do do do
Do do do do do do
Do do do do do do
