[Danny:]

We ran past strawberry fields and smelt the  
summertime

When it gets dark I'll hold your body close to mine  
And then we'll find some wood and hell we'll build a  
fire  
And then we'll find some rope and make a swinging  
tyre

[Tom:]

Captivated by the way you look tonight  
The light is dancing in your eyes, your sweet eyes

[Danny:]

It's times like these we'll never forget  
Stayin out to watch the sunset  
I'm glad I shared this with you  
Cause you set me free  
Show me how good my life could be  
How could this happen to me? Yeahhhohhhh

[Tom:]

And then I'll swing you girl until you fall asleep  
But when you wake up you'll be lyin next to me (ba ba  
ooo)  
We'll go to Hollywood, make you a movie star (movie  
star)  
I want the world to know how beautiful you are

[Danny:]

Captivated by the way you look tonight  
The light is dancing in your eyes, your sweet eyes yeah

[Tom:]

It's times like these we'll never forget  
Stayin out to watch the sunset  
I'm glad I shared this with you  
Cause you set me free  
Show me how good my life could be  
How did you happen to me? Yeahhhohhhh

[Danny:]

There are no secrets to be told  
Nothing we don't already know  
(bum bum bum)

[Tom:]

We got no fears of growin old  
We got no worries in the world

[All:]
