(Woah x2)
The clock hit twelve,
She entered the room,
But if looks could kill,
Then we all would be doomed.
After just one kiss,
You're not able to move,
From her venomous lips,
And her poison perfume.
(Yeah)

She started swaying so sexy,
And looking at me,
And it got me, caught in a mind control.
This place is prison,
I'm chained up, I give up,
And I'm at her mercy,
She wouldn't let me go.

She said she likes to dance, all by herself,
Cos she's a party girl,
(Ooh-hoo-ooh x2)
She don't care, for nobody else,
She's in her own world.
(Ooh-hoo-ooh)
I love this little party girl
(Ooh-hoo-ooh)
(Woah) (ooh-hoo-ooh)
I love this little party girl
(Ooh-hoo-ooh)
(Woah) (ooh-hoo-ooh)
She's such a little party girl
(Ooh-hoo-ooh)

I - I gotta leave this room,
Cos it's starting to spin,
There's no escape,
From his mess that I'm in.
She can't resist,
The temptation of sin,
So pull your collar up,

Before she sinks her teeth in.
(Yeah)

She started swaying so sexy,
And looking at me,
And it got me, caught in a mind control.
This place is prison,
I'm chained up, I give up,
And I'm at her mercy,
She wouldn't let me go.
