To the gods in the sky
There's one thing you can do
You can send us some sun
And we'll play you this tune
Because sitting in our room
Lying down with a scoob
And the sunshine
Through our window

It's days like these
That make us happy
Like a puppy getting lucky
With Lassie hassle-free
Hours passing by
With the beat one two
Said it's days like these kicking back
Just doing what we do

Number one I'd find some
Loving in the sun
With someone that can make me
Growl and hum say hmmm...
A boom boom shak
And the beat that she throw at me
Knocking me flat

Number two
I'd cruise where the grass is smooth
And the sound of the sea
Is a dreamy melody
Snooze all afternoon
Till the night time wake me
Cos shakedown soon

Number three
I'd be dancing like a monkey up a tree
Find sweet simplicity
By kissing my honey
Get funky like Bond
When he's played by Connery
And get crafty
Like Don Corleone

Four
Watching Oliver jam a little more
Remember the night when I saw
What i never never never seen before
Lavender wrestling a rich wild boar

CHORUS

HARRY'S NIGHT TIME RHYME

And dirty hands
I like them see
They make the music that we play
Sound oh so sweet
And my mother always made me eat broccoli
And now look at me
I'm as strong as can be
So put some spice in my sauce
Honey in my tea
An ace up my sleeve
And a slinky plan b
And most importantly
My mad family
They named me lucky
And for that I'll sing about
Days like these
