### "Song For Elias"

Meant to meet you but I couldn't stay  
Till now never knew how life tears you away  
Now I wait for the springtime in Spain  
My love

A beautiful being's so sad and so strong  
You gave me a story you gave me a song  
When he played is guitar she would weep  
My love

So one rainy day that spirit took flight  
She made him a cap full of magic and might  
For his birthday to rule a great stage  
(and perform till old age)  
My love

And why did you never arrive  
When we - before you left I saw tears in your eye  
And your mother ust told me you  
My love

To state he was born by got rhythm within  
Was to put it so mildly her crying face grinned  
It would spring from all fibres of humanly everythings  
My love

Nothing's sure but that love never reasons  
Now the world might have lost all its springtimes  
And all of the seasons are bleak without you  
My love

Meant to meet you but I couldn't stay  
Till now never knew how life tears you away  
Now I wait for the springtime in Spain  
My love
