Alcohol

I don't go out much
So I can't say I do this
You don't try to test me
'Cause I ain't really gotta none prove it
I'm a master, I rapped up,
I move faster, I'm vicious hoe, delicious hoe
Diminish and finish to my list
I can date you or seat date you
Or I can out it in your face too,
So many ways I can break you
I'm a smoker but I seat bitch cup while I burn this joda
Bitch hold up is you drinking
Is you drinking

Alcohol

Alco-alco-alco-alco-alco-alco-alco-alco-alcohol
Alco-alco-alco alcohol

OKay I'm twisted wizz the bitches what's happening
Waves the harvard you gives it
... I'm rapping
Wait wait now that was so shameless
I should turn it down
But I'm fresh up stage bitch
And I tour it down
F*ck A list I'ma stay low pride
Ass so thick but I waste slow cal
Have a drink it's okay
My table is... let it stay honor
