Baby don't baby don't act so sweet  
Just give me that cantaloupe, that cantaloupe  
Baby don't baby don't act so sweet  
Just give me that cantaloupe, that cantaloupe  
Give me that, give me that cantaloupe

I be that shitty motherfucker,  
You hate him but you love him  
You took a million shots while I beat it on the buzzer  
Fly, sitting side ways, bitch I'm on another  
Getting high on a Friday  
Call me mister Tucker, Tucker  
Ice cubes, chilling in my ice room  
Bitch I'm like a typhoon, kinda like a monsoon  
I'm about to get you, wet you  
Take you to the vet like an animal  
Baby don't baby don't act so sweet  
Just give me that cantaloupe

It's that shitty motherfucker  
Back up in the building

Make that money bubble like the back of a bazillion  
I, cap call my â€¦  
Plus she got that donkey  
Shout to â€¦sipping on veno  
My dick is all timber!  
Tell her watch I be low  
Don't watch me, watch tv  
Living my dreams out I got sleep  
I got freeze, I'm in beach clothes  
Chilling in them bitch cold  
Mean flow, but I ain't â€¦ messing  
â€¦pretty much a legend  
All them bitches stressing  
But the money comes first  
And the pussy come second  
And it's time to go to work, let's go

Baby don't baby don't act so sweet  
Just give me that cantaloupe, that cantaloupe

Baby don't baby don't act so sweet  
Just give me that cantaloupe, that cantaloupe  
Give me that, give me that cantaloupe.
