[Chorus?]

In the club (the club)  
Give me love give give me love within in  
X4

All my girls in the house get low  
If you look good go on touch your toes  
Fuckin with your boy here.  
Oh fo-sho-oh-oh  
What my name is yâ´all know

Seryizzy (?)

Raving â´til dawn the dogs they get BUSY  
Put the song on they (they) all get DIZZY  
Uckin with the cattie again we get addict  
Chicks on my dick and I'll prolly get at it.

Walk into the back with a couple of females  
Why you on the phone checkinâ´ the e-mails  
Feelinâ´ kinda drunk now I canâ´t te-eh-ell  
If thas your girl dawg oh well!  
(Sheâ´s going with me)

Enough with the BLAH BLAH you know I really  
Wanna see your NA NAS girl get silly  
So I told her bend over  
Iâ´ma do the facebook and poke ya

[Chorus?]

In the club (the club)  
Give me love give give me love within in x4

Do you like it in the club?  
Honestly I donâ´t like it in the club  
But I will not cut cus I love that ass  
So Iâ´ma stay right here â´til the sun comes up

And Iâ´ma watch you SHAKE IT GIIIRLL  
And if you got that cake go on and BAKE IT GIRLLL  
SHAKE THAT KINKY BOOTAYY

So you wanna go home with me  
Okay come home with me  
We can get up in the bed for the day  
Get it right spend the rest of the night  
Up in my sheets and

We can SHAKE IT GIRLLLLL  
And if you got that cake go on and BAKE IT GIRLLLL  
SHAKE THAT KINKY BOOTAYY

[Chorus?]  
In the club (the club)  
Give me love give me love within in  
X4

And this is how I do it in the club  
I need it then I make ya fall in love  
I hit it from the front the back  
And side to side like that

And side to side like that  
I start to sound like that
