(Verse)

Flip the bottle, hop on this  
Hundred Plutons ain't no sips  
Turn the racks up in the building  
From the roof down to the basement  
Come take a trip through my ozone  
Might just get my smoke on  
So we passin out like Pacquaio  
Gone then, I'm so gone

(Interlude)

Your girlfriend is a Nissau, you thought she was a  
Bezzle  
But it don't really matter 'cause to me she's just a  
rental for the weekend

(Bridge)

Body do it right, finger to the sky  
Floatin all night, ready for the weekend  
Turn my music up, nowhere in lot oh  
Alright, ready for the weekend

(Hook)

Tonight I'm going in love  
You make me come up  
Get ready ready ready for the weekend  
Somebody come and get up  
Shorty get up  
Get ready ready ready ready ready ready ready  
ready for the weekend  
Weekend!  
Ready for the weekend

(Verse)

Fuck a bottle, hop on this  
Hundred proves don't take no sips  
For the last two and as my crew been winning  
So I don't really give two shits about yall suckers, yall  
suckers  
Rinkle Vosses to Mantaka  
Through the winter until summer

Going stupid like GW  
All my brothers, my sissies, brace your glass 'cause  
this is  
A toast to spreading faster than your girlfriend's  
lipstick  
The weekend

(Bridge)  
Body do it right, finger to the sky  
Floatin all night, ready for the weekend  
Turn my music up, nowhere in lot oh  
Alright, ready for the weekend

(Hook)  
Tonight I'm going in love  
You make me come up  
Get ready ready ready for the weekend  
Somebody come and get up  
Shorty get up  
Get ready ready ready ready for the weekend  
Weekend!  
Ready for the weekend

(Verse)  
We're swimming like balugas, been diving like a  
scuba  
Club packed in the back of the VIP  
Sippin slowly and contiguous  
So we're swimming like balugas, we diving like a  
scuba  
Club packed in the back of the VIP  
Sippin slowly and contiguous  
So we're swimming like balugas, we diving like a  
scuba  
Club packed in the back of the VIP  
Sippin slowly and contiguous  
So we're swimming like balugas, we diving like a  
scuba  
Club packed in the back of the VIP  
Sippin slowly and contiguous  
Wut? Wut?

Ready for the weekend  
Wut? Wut?  
Weekend!  
Ready ready...

(Hook)  
Tonight I'm going in love  
You make me come up  
Get ready ready ready for the weekend

Somebody come and get up  
Shorty get up  
Get ready ready ready ready for the weekend  
Ready for the weekend  
Ready for the weekend
