Hit the equalizer  
You know how we like it  
Give me that bass bitch  
Give me that, give me that bass bitch  
You want the real thing  
Not the synthesizer  
Give me that bass bitch  
Give me that, give me that bass bitch  
Give me that bass bitch  
Give me that, give me that bass bitch  
Give me that bass bitch  
Give me that, give me that bass bitch

Inhale  
Exhale  
Mommy look there with the pigtails  
High seas, fish scale  
Baby got wet like Ariel  
Intel, process  
Yogured up like Loch Ness  
But I'm hungered up like Scarlett Jo  
Yo stand back, I got this  
Can't stop this thing I do  
During night like dÃ©jÃ© vu  
I want to, I want to, I want to fuck you  
Pardon my French  
I want to fuck le  
Pardon my Spanish  
I want to fuck tu  
And do a little bit of room coming through  
Stop. Put your hands back down  
Ok now

Give me that, give me that bass bitch  
Give me that bass bitch  
Give me that, give me that bass bitch  
Give me that bass bitch  
Give me that, give me that bass bitch  
Give me that bass bitch  
Give me that, give me that bass bitch

Give me bass bitch  
Give me that face  
Don't be so basic  
We can all use the little change  
Let's go creola  
That should crack yola  
I don't be damned  
Why?  
I own the controller  
Hoed you  
Impose you  
Hold it up in my soda  
Hoes up, classic  
Beethoven they ask us  
Taking over that apex  
Take the globe and smash it  
Twenty thou  
Want to get in the crowd  
Man this shit is massive
