Boy you know you get me high  
Wont you take me for a ride  
Tell me where u want to go  
Tell me where u want to go

It's the cataracs

Yo, Its that dancefloor - 808  
She hit me like a 808  
Have you all night, vodka straight  
Bottles up, you and me  
Me and you, on a trip  
All night flight, girl lets dip  
Lickin my lips im in the zone  
And I cant really say what Im sippin on

But You taste good to me  
Girls like you make history  
Sure does sound like a hit to me  
Now che-e-e-ck out this beat

[CHORUS]

Now, you got it  
You got it goin on, goin on, & on &on; &on; &on;  
Boy you know you get me high  
Wont you take me for a ride  
Tell me where u want to go

Tell me where u want to go  
Im your bonnie, you're my clyde  
I'll be your "ride or die"  
Tell me where you want to go  
Tell me where you want to go

T-t-t-to the top of the worldddd (x2)

Your daddy must have been a drug dealer (why?)  
Cause you dope  
You the bonnie to my clyde, Juliet and Romeo  
Your daddy must have been a drug dealer (why?)  
I don't know, im just saying anything to get me up

inside your throat  
Is it workin?  
Im just playin  
Man this bottle got me sayin  
I don't ever wanna lose, lose ya right now

[CHORUS]

T-t-t-to the top of the worlddd

Tell me where you want to go (x4)

Where, you wanna, where you wanna go? (x4)

T-t-t-to the top of the worlddd

It's the cataracs
