I haven't slept at all in days
It's been so long since we've talked
And I have been here many times
I just don't know what I'm doing wrong

What can I do to make you love me
What can I do to make you care
What can I say to make you feel this
What can I do to get you there

There's only so much I can take
And I just got to let it go
And who knows I might feel better, yeah
If I don't try and I don't hope

What can I do to make you love me
What can I do to make you care
What can I say to make you feel this
What can I do to get you there

No more waiting, no more aching
No more fighting, no more trying

Maybe there's nothing more to say
And in a funny way I'm calm
Because the power is not mine
I'm just gonna to let it fly

What can I do to make you love me
(What can I do to make you love me)
What can I do to make you care
(What can I do to make you care)
What can I say to make you feel this
(What can I do to make you love me)
What can I do to get you there
(What can I do to make you care)

What can I do to make you love me
(What can I do to make you love me)
What can I do to make you care
(What can I do to make you care)
What can I change to make you feel this

(What can I do to make you love me)
What can I do to get you there
(What can I do to make you care)

Love me
(Repeat to fade)
