How do you feel, loving a rose?

Guarding her life day and night

How do you feel, losing that rose?

Killed by a storm you can't fight

(Lea, Lea) Girl, now you're gone

(Leaving, leaving behind) The memory of your smile
that will never leave my mind

Where are those words I heard you say?

You would forever be mine

Where are those words?

How can I pray, losing a love so divine?

(Lea, Lea) Girl, now you're gone

(Leaving, leaving behind) The memory of your smile
that will never leave my mind

(Lea, Lea) Girl, now you're gone

(Leaving, leaving behind) The memory of your smile
that will never leave my mind

(Lea, Lea) Girl, now you're gone

(Leaving, leaving...)
