Lovers don't talk
Lovers don't talk
Isolated and separated, alone in the night
Sending out soundless words, reaching each other's
mind
No-one's left behind 'cause too many tears have been
cried

Lovers don't lie
Lovers don't lie
The truth in their eyes, oh love in disguise
Once they are touched they will try twice as much to be
one for all time
Or else they would rather die, hmm die
I know that you know that even when we are apart we
got something together
Bad talks and sad talks have broken so many
romances
And if that's the way I hope and pray that lovers don't
talk

Lovers get hurt, so badly hurt
Hurt by those words, laser sharp words
The intentions ain't right 'cause these words fear the
light they just jealously bite
They hide in the night, the night
I know that you know that even when we are apart we
got something together
Bad talks and sad talks have broken so many
romances
And if that's the way I hope and pray that lovers don't
talk

Lovers don't talk (Lovers don't talk)
Lovers don't talk (Lovers don't talk)
Lovers don't talk (Lovers don't talk)
Lovers don't talk (Don't talk)
Lovers don't talk (Lovers don't talk)
(Lovers don't talk)
(Lovers don't talk)
(Lovers don't talk)
