ake me with you, my lovely little bird
I'm all alone and your wings are strong
Take me with you, my lovely little bird
Teach me to fly and sing me a song

Here I am now, I'm ready to go
I've packed my bags and I've combed my hair
Here I am now, I'm ready to go
Please don't say no and take me up there

Take me with you when you are on your wings
Tel me all, tell me all 'bout other things you can see
from high above
Take me to places where you have seen love (Love)

Take me with you, my lovely little bird
I'm all alone and your wings are strong
Take me with you, my lovely little bird
Teach me to fly and sing me a song

Take me with you when you are on your wings
Tel me all, tell me all 'bout other things you can see
from high above
Take me to places where you have seen love (Love)
