Got it, got it, hey
Got to, got to feel it
Sock it to us now
I can't turn you loose now
If I do I'll lose my mind
I can't turn you loose now
I've got to love you all the time
I can't turn you loose now
If I do I'll lose my mind
Can't turn you loose now
I've got to love you all the time
Hip shakin' mamma don't
Oo you got to do anything you wanna
Yeah got to, got to love you
Yeah let me, let me hold you
Yeah let me, let me squeeze you, yeah

Can't turn you loose now
Because you're a pretty little thing
I can't turn you loose now
I've got to love you in vain
I can't turn you loose now
Because you're a pretty little thing
Can't turn you loose now
I've got to love you in vain
Hip shakin' mamma don't
You got to do anything you wanna
Yeah got to, got to squeeze you
Let me, let me please you
Yeah let me, let me hold you, yeah

Come on, come on everybody
Put your hands together, yeah, yeah
You feel all right now
You feel all right now
Early in the morning, yeah
Got to, got to feel it
Late in the evening, yeah
Got to, got to feel it
Bring it on up now
Bring it on up now

A little bit louder yeah
Little bit louder yeah
Got to, got to feel it
Early in the morning yeah
Got to, got to feel it
Early in the morning, etc.
