(Who are you)
I am the Japanese sandman
(You lookee like
A Japanese sandman)

He goes, rang tang ding dong
Rackee sackee
Rang tang ding dong
Rackee sackee...

I am the Japanese sandman
From across the sea
I got all the girls loving me

I am the Japanese sandman
And I know I'm great
I follow behind
All the playboy rules

I am the Japanese sandman
From across the sea
Hey, all you babies
Pay attention to me

I wear a pinstripe jacket
Made of chunky foo yang
Polka dot shoes made
Of yang and sang

I got a mean? from my ring tang
Burgundy pants from
My own needle shanks

I am the Japanese sandman
From across the sea
Hey, all you babies
Pay attention to me

He goes, rang tang ding dong
Rackee sackee
Rang tang ding dong

Rackee sackee...

Now, all you girls
Listen to me
If you want to be
My little girly

Just?
We'll go down in
The Hall of Fame

I am the Japanese sandman
From across the sea
Hey, all you babies
Pay attention to me

He goes, rang tang ding dong
Rackee sackee
Rang tang ding dong
Rackee sackee...

Man, all you guys
Say the big things
All I get to say is

He goes, rang tang ding dong
Rackee sackee
Rang tang ding dong
Rackee sackee...

He goes, rang tang ding dong
Rackee sackee
Rang tang ding dong
Rackee sackee...
