Wake up (wake up)
Wake up (wake up)
Are you ready to
Wake up (wake up)

Wake up (wake up)
Wake up (wake up)
We got so much to make up

Stand up, stand up
Now's the moment to stand up

One of these days
(One of these days)
One of these days
(One of these days)

One of these days
(One of these days)
Open your eyes
(Open your eyes)

Wake up, wake up, yeah

Wake up (wake up)
Wake up (wake up)
Now's the hour to
Wake up (wake up)

Wake up (wake up)
Wake up (wake up)
You've got the power
To get up (get up)

Stand up, stand up
Now's the moment to stand up

One of these days
(One of these days)
One of these days
(One of these days)

One of these days
(One of these days)
Open up your eyes
(Open your eyes)

I'm here and I'm here
Watching over you
Yeah, yeah, yeah

And I'm here, right here
And I'm gonna see you through

Hey, wake up (wake up)
Wake up (wake up)
Are you ready to
Wake up (wake up)

Wake up (wake up)
Wake up (wake up)
We got so much to make up

Hold on, hold on

One of these days
(One of these days)
One of these days
(One of these days)

One of these days
(One of these days)
Open up your eyes
(Open your eyes)

Yeah, wake up, wake up, yeah
