I can be tough, I can be tender
Strong as a saint, weak as a sinner
But when I'm in your arms I'm so complete
You bring out what's inside of me
CHORUS:
A woman with a mind, a body with a soul
A heart full of love that won't let go
I love the way you understand
All that I am
I'm a member of the modern world
But sometimes I'm still an old fashioned girl
You make me laugh, you let me cry
I finally found a man who's not afraid to try
CHORUS
I hold on as long as I can and keep loving you with all
that I am
CHORUS
